17 June 2012

To all our friends
Everywhere

Dear Friend(s),

Our little prayer group, *Friends of the Rosicrucian Spirit*, will again be offering a summer school on the philosophy of the Rosicrucian Fellowship. It will be from August 13 through August 17, 2012, inclusive.

Last year we had 20 presentations, all by Probationers, and we had guests from as far away as California. We hope the enthusiasm will continue.

We intend to cover both theoretical and applied topics in the philosophy and astrology. One series this year will be about the evolutionary creation from various sources in the Rosicrucian philosophy.

No format has been determined yet but there will probably be several classes during the day and evening. If you would like to offer a class, workshop or discussion on some aspect of the Rosicrucian philosophy (*topics will be limited to Rosicrucian philosophy, please read the attached document on public events*), please let us know. We like to hear from many voices. Our schedule allows ample time for informal discussion and fellowship. We sometimes take walks in parks and gardens. If you would like to offer some kind of entertainment such as a songfest or a game during off hours, we would like that very much.

Various members of our group provide lodging for guests from out of town when possible. We have not decided how to handle food but we usually find restaurants for healthy vegetarian food for everyone. If you let us know we will meet your bus, train or plane. If you come on Sunday afternoon or evening, you can join us for the Rosicrucian Fellowship devotional and healing services.

Summer school provides an excellent opportunity to introduce new people to the Rosicrucian philosophy so please tell friends and acquaintances who may be interested. It helps us to get the word out because we do not have wide circulation with our mailing list.

If you plan to come for all or part of the school, please inform us as soon as possible because we have little time for preparation. You can reach us at the address above or the contact people listed below. We hope to see you.

Also, if you have an email address please send it to us because email is faster and more economical than postal mail.

Please let us know if you need a road map to the school.

Thank you.

In Fellowship,

Friends of the
Rosicrucian Spirit
